

Cross-Country

The men's program began in 1982 under Coach Jack Neville while the women's program began in 1983 when Neville served as both the men's and women's coach. Current Coach Brian Gorby took over as head coach for both programs in 1993. The men's program competed in the Ohio Valley Conference from 1982 through 1987 and the Mid-Con from 1991 through 2000 and has been part of the Horizon League since 2001. In the Horizon League the past four years, the men finished fourth in 2004, third in 2003, third in 2002 and third in 2001. YSU had a string of top-three finishes from 1994 through 2003, including winning Mid-Con titles in 1994, 1995 and 1996. Since 1991, the Penguins have had 20 all-conference selections on the men's side.

YSU played host to the 1995 Mid-Continent Conference Championships and the 2003 Horizon League Championships.
